Registration for Fall Underway	Priority registration for Fall 2025 began April 14th, for Priority 0 and continues through open registration began on May 13th. Visit the Priority Registration and Enrollment Dates page for a complete listing of the priority registration dates.
Payment Due Date & Autodrop for Fall 2025	The payment deadline for students enrolling on or before July 25th for Fall 2025 is Friday, August 8th. The autodrop will be scheduled overnight the morning of Saturday, August 9th. For more information see the Payment Deadlines by Semester page .
Updates to Residency Requirements for Associate Degrees Effective Fall 2023	<p>Associate degrees, both local and transfer, require students to complete twelve units in residence within the Los Rios Community College District. Residency requirements for associate degrees were updated statewide to reflect twelve units districtwide over twelve units at a specific college via a title 5 update that became effective in November 2023. Los Rios formally adopted these changes in regulation in December 2024.</p> <p>From this point forward, Los Rios evaluators will consider residency as twelve units districtwide retroactively from Fall 2023 to present. Evaluators at each campus have ensured that these requirements have been retroactively applied to any student who had not met the residency requirement for the campus, but did meet the expanded residency requirement, from Fall 2023 forward have had their graduation petitions reevaluated and degrees awarded where applicable.</p>
Los Rios Partners With AACRAO to Improve International Student Experience	Los Rios has contracted with the American Association of Collegiate Registrars and Admissions Officers (AACRAO) to align practices on international student admissions and produce training materials to keep the colleges in alignment and improve onboarding of new staff in this area. Importantly, this work will ensure a consistent high quality experience at each of our college International Student offices. AACRAO was on site last week to meet with staff, faculty and others who work directly with international students, and engaged a panel of international students to describe their experiences to better inform this process.
Common Course Numbering Update	Los Rios is implementing its first phase of the Common Course Numbering transition in Fall 2025. Math and English placements have been updated to reflect the new course numbers and students with existing education plans will also see the new course numbers in their ISEPs. Click here to read more

	about Common Course Numbering within Los Rios and to see the courses renumbered in the first phase.
Cal-GETC Update	Beginning Fall 2025, the Cal-GETC general education pattern replaces the IGETC and CSU Breadth general education patterns for students with catalog rights beginning in Fall 2025. Students with older catalog rights can also opt for Cal-GETC or continue with their current GE pattern. A new local general education pattern has also been implemented beginning Fall 2025. For more information click here .
Transfer Evaluation Service	The Transfer Evaluation Service (TES) is now being used by Admissions & Records to track and process course substitution and equivalency requests for credit earned outside of Los Rios. TES provides faculty who review these requests a side-by-side comparison of course descriptions and additional documentation provided by the student. TES will reduce repetitive reviews by faculty and create a repository of approved courses as approved by faculty.
Announcing Tracy Hemmenway, Admissions & Records Supervisor at Folsom Lake College 	<p>We are excited to announce Tracy Hemmenway has been selected as the new Admissions & Records Supervisor serving the Los Rios Community College District at Folsom Lake College</p> <p>Tracy has been a dedicated member of the Los Rios Community College District for over 23 years, serving at the El Dorado Center of Folsom Lake College in Admissions & Records and Student Services. She holds a bachelor's degree in Political Science from the University of South Carolina-Upstate and a Human Resource Management Certificate from the University of the Pacific.</p> <p>As the Educational Center Assistant at EDC, Tracy led front-line student services and support staff. Most recently, she has served as the Student Support Specialist for the Prison and Reentry Education Program (PREP), where she coordinates comprehensive support services and helps justice-impacted and in-facility students navigate admissions, financial aid, counseling, and academic records.</p> <p>In her spare time, Tracy enjoys playing softball and pickleball, camping, and spending time with her family and two dogs, Boomer and Cash. Her bucket list vacation includes visiting every Major League Baseball park and has 15 parks completed so far.</p> <p>Tracy will begin her new role on May 27th. Please join us in welcoming Tracy to her new role!</p>
