A detailed joint analysis of the Governor's January Budget Update & Trailer Bills prepared by the California Community Colleges office and a brief of the Major CCC Proposals prepared by the Legislative Analyst's Office were provided to all Cabinet members.

The college presidents each shared updates on the work underway on dual enrollment and outreach efforts at our four colleges.

6. FINANCIAL AID AND ADMISSIONS AND RECORDS PROJECT UPDATE

Deputy Chancellor Nye provided an update on the status of the Financial Aid and Admissions & Records redesign projects. The final reports from our partners will be available for districtwide distribution soon, and there will be opportunities for feedback and input before any decisions are made regarding the recommendations laid out by the two consultants.

7. K16 COLLABORATIVE GRANT PROGRESS REPORT

Chancellor King reported that our work with Capitol Impact to prepare our application for a potential \$20M grant for the K16 Collaborative Grant initiative is moving forward. Los Rios will be the lead organization and grant applicant for these important efforts.

8. STAKEHOLDER ENGAGEMENT IN BFSA DEMANDS/RECOMMENDATIONS AND APRIL 20 BOARD INFORMATION ITEM

The Chancellor's Executive Staff team has met twice to collaborate about responding to the ten demands submitted by the Black Faculty and Staff Association (BFSA). Chancellor King went through each of the ten demands with Cabinet and shared the preliminary responses at a high level. A written response will be provided to the BFSA by the end of the day tomorrow, March 29, and a public update on the progress to-date will be presented by a variety of stakeholder groups at the April 20 Board of Trustees meeting. District Academic Senate President Julie Oliver requested that it be made clear on the document that the constituent groups have not yet had the opportunity to review the response from the District. Chancellor King noted that the response tomorrow will be the start of a discussion that will include all constituent and labor partners and will honor our important process of consultation. Cabinet members engaged in a robust discussion about the approach to responding to the BFSA demands.
