Agenda Item Discussion #1-Call to Action

The four Los Rios Colleges and the District Academic Senate ~~submit a joint report in support~~ the Academic Senate of California Community Colleges (ASCCC) Fall 2019 Plenary Resolution “Support Infusing Anti-Racism/No Hate Education in Community Colleges” of a call to action from the Academic Senate of California Community Colleges. Specifically, ~~we resolve to~~ the following Resolved statements from that resolution:

- *denounce racism for its negative psychological, social, educational, and economic effects on human development throughout the lifespan;*
- *take steps to not only strive for a greater knowledge about and the celebration of diversity but also to support deeper training that reveals the inherent racism embedded in societal institutions in the United States, including the educational system, and asks individuals to examine their personal role in the support of racist structures and the commitment to work to dismantle structural racism; and*
- *infuse Anti- Racism/No Hate Education in all its activities and professional development opportunities to the degree that doing so is feasible.*

To achieve this, ~~all of~~ our Academic Senates are committed to:

1. ~~Make a tentative agenda now that includes~~Include a discussion of anti-racism/no-hate education on agendas. Remembering that we do not have to have an answer to start a conversation.
2. Prioritize culturally responsive curricular redesign with our curriculum committees.
3. Acknowledge, without assigning blame, that the structure of our colleges house the biases and prejudices of their founding times. Those biases have privileged some and disadvantaged others, particularly African-American ~~and~~, LatinX, ~~and~~ Native American communities.
4. Prioritize the evaluation of hiring and evaluation processes with an equity lens.
5. Request services from the ASCCC about any of these topics if needed.
6. Evaluate our academic senates and find the voices among our faculties missing in governance. Find ways to empower those voices.
7. ~~—~~ Work with our administrations, classified professional colleagues, and students to find constructive ways students can express themselves about ~~these deaths and the~~ structural and historical biases that exist.
