X. SAG Report

- A. Emergency Addendum

Will be added to outlines by the end of this month.

XI. Discussion Items

- A. Similar / Cross-listed courses in the District and Degree Planner
Lisa Roberts-Law: Different designators are sometimes used at different colleges for the same course. DP is not recognizing this because of how it is entered in Peoplesoft.
Question: Who decides what is listed as equivalent in Peoplesoft?
Discussion: This is an Instruction Office task. Isn't this a 10+1 issue? This highlights the GE alignment issues. Is there a need for a more formal process to program this into Peoplesoft? We must be careful about what is "equivalent" across the district. Use the word "comparable"? Do we need a field in Socrates? We will bring this up at SAG. We need a list of current course equivalencies. A crystal report does exist for this.
Action: This topic will be brought to DAS.
- B. Student discussion on asynchronous STEM and Performing Arts classes
Allison S. – Students are advocating for more asynchronous online courses after we are back on campus.

Jenn G. – There are some concerns about how Performing Arts courses are being delivered online.
- C. Proposal to remove local Credit by Exam unit/residency requirement
This requirement is not currently in our Board Policy and Regs. Title 5 is silent on this.
Recommendation from DCCC to DAS: Ask each local Senate to discuss removing this language from the catalog. (Eric will send all Curriculum Chairs information about this topic to share with local Senates.)
- D. Anti-racism and equity in curriculum: Ongoing discussion on how each campus is addressing or plans to address the topic. Inviting authentic student engagement.
Skipped because of time constraints.
- E. Proposal to review and consider amending Board Regulation 3412 to references to the Reading Competency Committee.
Because of recent changes in how students meet Reading Competency this committee will no longer need to review courses. Reading Competency is now met by completing a degree or a GE pattern, it is no longer course based.
We will revisit this topic after other changes to Board Reg 3412 are finalized.
- F. Proposal to revise Board Policy 7241 to allow C- grades from other institutions to meet Los Rios major requirements. (Attachment 5)
Recommendation: This item will be moved to an Action item at second reading on the next DCCC agenda.
- G. GE alignment project: Update on progress, and identify next steps
Skipped because of time constraints.
- H. Catalog year start date: an issue because currently the new year starts with summer session but new articulations do not take effect until fall.
Skipped because of time constraints.

- XII. Future Agenda Items
 - A. Student choice of any of the three GE patterns
 - B. Advisories and requisites in a post AB-705 world

XIII. Adjournment – 4:34 p.m.

NEXT MEETING: Friday, January 29, 2021 2:30 – 4:30
