- VII. Action Item(s):
 - A. Guidance for Virtual Meeting

Adoption of Findings Related to Public Meetings Pursuant to AB 361:

BACKGROUND:

On September 16, 2021, Governor Newsom signed AB 361, which amended the Brown Act to provide local legislative bodies the ability to conduct virtual meetings under certain circumstances. The legislation included an urgency clause, which made it effective immediately.

AB 361 allows local legislative bodies to conduct virtual meetings during a state of emergency proclaimed by the Governor under certain conditions, including when “the state of emergency continues to directly impact the ability of members to meet safely in person.”

If the state of emergency is ongoing, the local legislative body must adopt certain findings by majority vote every thirty days in order to continue using the virtual meeting rules under AB 361.

RECOMMENDATION:

It is recommended that the District Academic Senate (DAS) (DCCC) adopt the finding “the state of emergency continues to directly impact the ability of members to meet safely in person.”
