<https://docs.google.com/spreadsheets/d/18IDdtujftlqldFLXiwTDWwcydzv96a5lknQLGyvPM/e dit#gid=1444129501>

- b) First Reading Programs were presented, all were moved to Second Reading.
- c) Second Reading Programs were all approved.
- d) The Centers of Excellence (COE) has a 6–8-week delay on completing their Labor Market Information (LMI) data requests. The committee affirmed that non-COE LMI (e.g. ONet data,

EDD data) are acceptable alternatives. The committee also affirmed that the following programs do not need to submit LMI to the PPC:

- I. Associate Degrees for Transfer
 - II. Apprenticeship Programs
 - III. Stackable certificates that are entirely composed of existing courses listed in a larger unit certificate in the same department.
 - IV. Accompanying degrees or certificates that are duplicates of existing programs (i.e. carbon copy certificates that accompany a degree, or vice versa)
- e) The committee affirmed that the Gerontology program met the criteria for automatic approval, as it is entirely composed of existing courses.
