

Student Employment Fingerprint Requirement Process

As a Student employee (Student Help and/or Federal Work Study positions), you are required to complete and clear a Background Check PRIOR to starting employment with the Los Rios Community College District. Please go to the appropriate link below in order to complete the correct background check for the position you are being hired into. You will be notified by your hiring supervisor once you can start employment.

- For Student Employment (NOT at a Childcare Center or Police Department) within the Los Rios Community College District, complete the Background Check/Live Scan process using the information at this link:
employees.losrios.edu/student-employee-fingerprint-doj
- For Student Employment at a Police Department within the Los Rios Community College District, complete the Background Check/Live Scan process using the information at this link:
employees.losrios.edu/student-employee-fingerprint-doj-fbi-police
- For Student Employment at a Childcare Center within the Los Rios Community College District, complete the Background Check/Live Scan process using the information at this link:
employees.losrios.edu/student-employee-fingerprint-doj-fbi-childcare

If you have any questions about which of the above links you should be using, please check with your Hiring Supervisor.

For other questions, you can contact Human Resources at 916-568-3112.
