

## 1.0 Consulting Services and Personal Services

- 1.1 The District may contract for special services or consultants to bring specific knowledge or expertise to an issue, project or activity under study.

## 2.0 Authorization to Obtain Consulting Services

- 2.1 Consulting services require authorization by one of the signatories listed in R-8315. No work may be performed in advance of such authorization.
- 2.2 A request for proposals shall be developed and sent to qualifying interested contractors and/or professionals in accordance with applicable procurement regulations and district practices.
