

1.0 Student Success and Support Program (SSSP) Services (Title V, § 55520)

- 1.1 The Colleges of the Los Rios Community College District shall provide Student Success and Support Program Services (SSSP), which shall include:
 - 1.1.1 Orientation services designed to provide nonexempt students and potential students information concerning academic expectations and progress and probation standards, maintaining registration priority, the prerequisite and co-requisite challenge process, maintaining Board of Governors Fee Waiver eligibility, instructional and student support services, academic calendar and important timelines, registration and college fees, available education planning services, and other matters the Colleges of the District find appropriate.
 - 1.1.2 Multiple measure assessment of students that includes the use of as many of the following as appropriate: high school and other college/school records, aptitudes, interests, study and learning skills, motivation, external demands, and life experiences. State Chancellor approved tests of computational and language skills may be used as long as they are not applied as the sole criterion.
 - 1.1.3 Counseling and advising to assist students in interpreting multiple measure data, identification and clarification of education goals and course of study, developing and updating education plans that identify students' education goals and course of study and the courses and instructional and student support services necessary to achieve them.
 - 1.1.4 A follow-up system to ensure that the academic progress of each student is regularly monitored to detect early signs of academic difficulty and to provide advice and referral to specialized services that may be available including counseling, financial aid, health services, placement services, Extended Opportunity Programs and Services (EOPS), CalWORKS, child care, tutorial services, Disabled Student Programs and Services (DSPS), and specialized instructional programs including, but not limited to, precollegiate basic skills and English as a Second Language courses.

2.0 Accommodations (Title V, § 55526)

- 2.1 The College shall modify or provide alternative services to accommodate EOPS, English language learners, and students with disabilities.
- 2.2 EOPS and DSPS are authorized to provide specialized services to their respective student populations. As participation in the EOPS and DSPS programs are voluntary, no student may be denied necessary accommodations because he or she chooses not to use specialized programs provided by EOPS and DSPS.

- 2.3 Modified or alternative services for English language learners may be provided through the College English as a Second Language program.
